### Deepening Community; Tamarack

Deepening Community is a Learning Community that connects individuals and organizations who are hosting community conversations to recapture the idea of community; designs programs to deepen our sense of belonging; and influences policy to increase sustainability and local access to resources. Their vision is to be a guiding force in bringing together citizens, organizations, and institutions to share stories, resources, experience, and envision policies that will support healthy, strong, and sustainable communities and neighbourhoods.

### Asset-Based Community Development

ABCD is an approach to community building that focuses on people and their gifts, their social relationships and associations first - before the physical infrastructure, programs and services offered. Find tools and resources to help you to apply and share these ideas.

### Ontario's Healthy Community Coalition

OHCC's mission is to create innovative solutions to meet community challenges and build strong, equitable and sustainable communities through education, engagement and collaboration. Find a variety of educational publications, manuals and toolkits to assist community groups and coalitions in the efforts to improve the well-being of communities.

### Tamarack Institute

Tamarack specializes in five idea areas and works deeply in two practice areas to help you to recognize significant community change. The idea and practice areas that you can explore include:

#### Five Idea Areas:

- Collective Impact
- Community Engagement
- Collaborative Leadership
- Community Development
- Evaluating Community Impact

#### Two Practice Areas:

- Vibrant Communities
- Deepening Communities

### Congress for the New Urbanism

The Congress for the New Urbanism helps create vibrant and walkable cities, towns, and neighborhoods where people have diverse choices for how they live, work, shop, and get around. CNU's mission is to help build those places. Find a variety of helpful resources offered by the CNU.
