What Does an Effective Nonprofit Leader Look Like; Nonprofit Answer Guide

A strong nonprofit leader drives a sense of mission down through the organization, upward into the Board and outward in to the community. He or she is willing to do whatever it takes to enable the organization to follow their mission effectively. Check out this 2-minute answer on what an effective nonprofit leader looks like.

Leading a Nonprofit Organization; Strengthening Nonprofits

No matter your title or role, there are plenty of opportunities while working at a nonprofit organization for you to serve as a leader. Whether you are directing a board, chairing a committee, managing a team, or coordinating a project, the goal is always the same — to lead effectively. Read this guide for tips and tools on how to effectively lead a nonprofit.

The Nonprofit Leadership Development Deficit; Stanford Social Innovation Review

Despite the many articles and numerous discussions about the need for organizations to develop their human capital, too many nonprofits and Boards continue to miss the answer to succession planning sitting right under their noses—the homegrown leader. Read more about the leadership development deficit affecting nonprofit organizations.
