

Healthy Growth & Development of Children & Youth

Programs that support the development of children & youth, providing young children with a good start in life & preparing youth for the future.

Children develop their social, emotional, language & communication skills.

Children & youth are **physically literate**, physically active, & achieve minimum levels of daily activity.

Child & youth hunger is alleviated through the provision of nutrition.

Children & youth participate in learning, culture & recreation programs.

Children & youth gain the knowledge, skills, & supports to develop positive mental health, self-esteem, & healthy lifestyle behaviours.

Parents & caregivers have the knowledge, skills & resources to provide for the healthy growth & development of their children.

Supported Programs & Services

CIF supports a wide range of programs and services through the Children & Youth funding theme, particularly those that reduce barriers and enhance accessibility for young people. Initiatives under this theme can take many forms and include but are not limited to (listed alphabetically):

- 2SLGBTQ+ programs and services
- Before and after school programming
- Cultural programming including arts, heritage, multicultural, and ethnocultural activities
- Early years and parent/caregiver programs
- Literacy and learning programs
- Mental health programs and services
- Mentoring programs
- Newcomer programs and services
- Nutrition programs
- Programs and services for people with disabilities
- Reconciliation initiatives
- Recreation programs including physical, social, intellectual, and creative activities

Physical Literacy is... the motivation, confidence, physical competence, knowledge and understanding to value and take responsibility for engagement in physical activities for life
